## We are the Hawaii Steel Alliance!

We are developers, contractors, engineers, architects, building officials, manufacturers, suppliers, tradesmen, and homeowners all with one thing in common- *WE BELIEVE IN STEEL FRAMING AND METAL ROOFING PRODUCTS.* We support each other through training and education, by conducting frequent networking programs, by sharing leads on new projects and opportunities, and we strive to overcome any barriers and obstacles that get in our way.

### Become Part of the Hawaii Steel Alliance Ohana

- Grow your network of professionals in the Steel Framing and Metal Roofing Industries.
- Keep up-to-date on the latest information, listen to and ask questions with the experts at our membership meetings, and benefit by keeping up with the latest trends.
- Gain access to the latest research, development, and construction best practices to keep your projects cost effective and on the cutting edge.
- No need to reinvent the wheel, our members are here to help you transition to steel framing and metal roofing.
- Stay abreast of how we protect ourselves from unfair building codes and other competitive building material organizations.

### How to Join:

Joining the Hawaii Steel Alliance (HSA) is easy. All are welcome. Simply fill out this membership form. Once you send in your appropriate dues level and the Board of Directors votes you in, you will be notified and receive all the rights and privileges our members already enjoy. Membership dues for the first year are required to be considered for membership. If a member joins mid-year, the next year's dues will be pro-rated.
